

Tripode

Santa & Cole Team. 1997
Floor lamp

A bundle of three black tubes, joined like a set of chopsticks, holds up a generous ribbon shade. Tripode is a series conceived to lend plain rooms a warmer touch through the use of colour. The cotton shades revive long lost handicrafts and generate vivid hues of light. When on, the lamp provides a generous, warm light, and when off, it stands like a large sculpture, lending rooms a touch of class.
